PRESS RELEASE

Tender Mercy Equine Rescue & Laurie Masters are partnering with the Finger Lakes SPCA, Inc. (in Bath, New York) to assist with the care management of horses from a recent SPCA seizure *which involved over 80 horses*. Some of the horses are currently being fostered in Western New York.

The majority of horses seized were determined to be in poor physical condition and have immediate medical, grooming and farrier care needs. Most will need rehabilitative care.

Monies in support of their care can be sent directly to the Finger Lakes SPCA, Inc. via their website (www.fingerlakesspca.org) or mailed directly to Finger Lakes SPCA, Inc., 7315 State Route 54, Bath, New York 14810.

Please contact Tender Mercy Equine Rescue (Amy Stockman-716-471-4796) or Laurie Masters (716-864-1097) to arrange for specific item donations of hay, blankets, salt and mineral licks, etc. for twelve horses being fostered in WNY.
